### 2. Purpose

- 2.1 Baringa Early Learning Centre (Baringa) is committed to providing a safe environment for all children where their health, safety and wellbeing is of paramount importance. This policy provides guidelines for the engagement and participation of volunteers and students at Baringa, while ensuring that children's health, safety and wellbeing is protected at all times.
- 2.2 Volunteers and students participate in programs and activities at the service to observe and experience the provision of centre-based education and care. This will be encouraged and facilitated by Baringa Childcare centre wherever appropriate and possible. Baringa Childcare centre aims to provide a range of

opportunities for family members, volunteers and students to participate in programs and activities while adhering to clear guidelines regarding appropriate interactions and communication with staff, and other adults and children at the service (refer to Employee Conduct policy).

### 3. Scope

3.1 This policy applies to children, families, staff, management and visitors of Baringa.

### 4. Definitions

**Student:** A person undertaking a practicum placement as part of a recognised early childhood qualification. This student will be supported by an educational institution in the completion of their placement.

**Volunteer:** A person who willingly undertakes defined activities to support the education and care programs at a children's service in an unpaid or honorary capacity. These activities may include direct contact with children, administrative tasks, or preparing materials or food.

### 5. Implementation

5.1 Baringa is committed to:

- Supporting connections with educational institutions to provide opportunities for students to undertake practicum placements as part of their studies.
- Building relationships with community members and providing suitable opportunities to engage volunteers to contribute to the programs and activities of the service.
- Ensuring the health, safety and wellbeing of each child at the service through consistent compliance with this policy and procedures when engaging volunteers and students.

5.2 Volunteers and students can expect: a safe and well-managed workplace, meaningful work experience with appropriate direction, supervision and training recognition for their contribution.

5.3 The role that volunteers play in children's services varies and can include working with groups of children, preparing materials or food, assisting with administrative tasks or working one-on-one with individual children. The children's service is responsible for ensuring that volunteers are suitable to work with children, and that children's health, safety and wellbeing is protected at all times.

5.4 Volunteers should only be engaged to complement, not replace, the work of paid staff. Accordingly, services should not engage volunteers to fill the place of an employee who is ill or on leave, or to fill a vacant budgeted position.

5.5 Volunteers must not be asked to perform tasks that they are untrained, unqualified or too inexperienced to undertake that put the children or themselves in a vulnerable or potentially unsafe situation where there is a conflict of interest.

5.6 Prior to participation at the service, a volunteer must be in possession of a Working with Children (WWC) Check card.

5.7 Prior to commencing work at the service, all volunteers should be interviewed to ascertain their suitability for, and interest in, the tasks they will be undertaking, and to assess whether the volunteer's goals can be achieved. The interview process also provides an opportunity for volunteers to have their questions answered.

Good practice in volunteer management includes acknowledgement and recognition of volunteer contributions, and this can involve a mixture of formal and informal recognition strategies.

The staff record must include the full name, address and date of birth of each student or volunteer who participates at the service. The Approved Provider of a centre-based service must also keep a record for each day on which the student or volunteer participates at the service, including the date and the hours of participation. In addition to this, it is recommended that students and volunteers undertake an induction to the service and complete an induction checklist; (refer to **Appendix**), which should also be stored with the staff record.
