Our Hibiscus Room is home for up to 22 pre-schoolers each day!

Through our education program and practices, children develop life skills, become more independent, solve problems with their friends, learn to have respect for themselves and each other. It is a place for the children to be creative in their own way and explore their environment through play.

Part-time bookings are available to complement government or private preschool attendance (including alternate Wednesdays), as well as before and after school care for Mount Rogers Primary School (Spence site)

Things to do/Remember

Anaphylaxis Warning

Please be mindful we have children in our space who are anaphylactic to DAIRY, EGG and NUTS. It is important that you bring NO outside food into the centre unless otherwise organised.

Local Area Excursion Form

We use these to walk around the Baringa premises. Ratio will be maintained. We call these our 'Connection to Land Walks' This helps to embed and teach the children about the custodians of our land, The Ngunnawal People, and how we can respect the land around us.

Child Information Sheet

This is to help us support your child's learning to the best of our ability and plan activities based on their interests, please fill this out.

Collection Authorisation

If someone else is required to collect your child who isn't on the enrolment form, please ask us for either an ongoing collection form or a one off collection form, alternatively you can change this on 'My Family Lounge'.

We are so excited to welcome you to the Hibiscus Family! If you have any questions or concerns please reach out to the team! Alternatively if you need anything please don't hesitate to contact Jess at jessica.turner@baringa.org.au or Admin at admin@baringa.org.au

Thanks!
Hibiscus Team
