If you need your nappy changed your educator will help you in this area here

and get your nappy from here. You can help too if you want to.

But if you would like to use the toilet or wash your hands, this is where you go

This is our play space inside the Acacia room

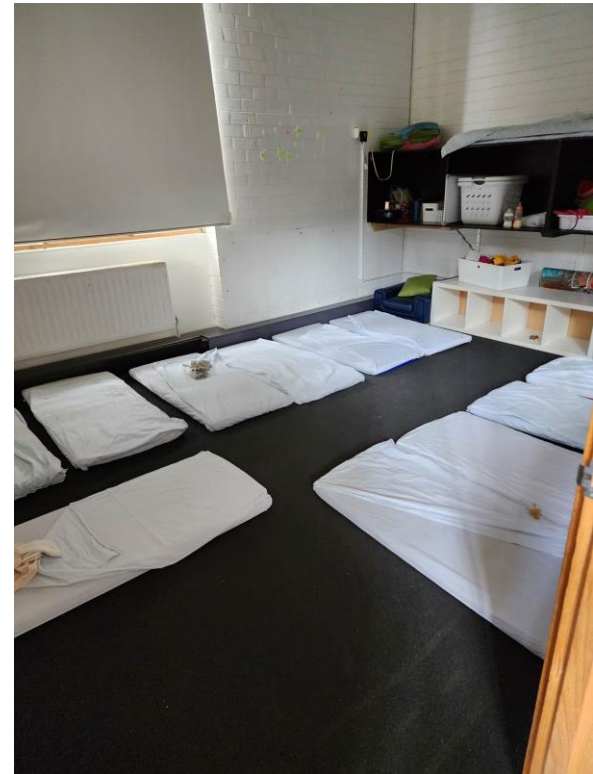

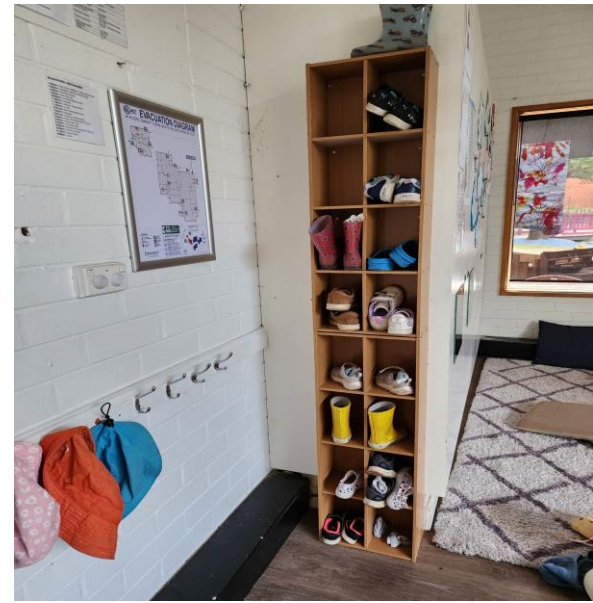

But did you know the Acacia room has two outdoor spaces you can play in, one you already know well, and the other is this big yard.

This is the space where you will be offered morning tea, lunch, and afternoon tea, prepared by our lovely cook, Penny.

After lunch we take off our shoes and get ready to rest our bodies in the cubby

Thank you for coming to play with us in the
Acacia room and we will see you soon
