Your bag will go here! You will have your own name tag!

Your drink bottle goes here 😊

You can put your hat in your own special pocket with your face!

This is where you will go
to the bathroom and wash
your hands

We have lots of activities you can do! We have a special craft station where you can find pencils and textas, glue, paper etc to make whatever you like!

You get to sleep in a new sleep room with lots of pretty lights and clouds!

When we go outside, here is where you put on your sunscreen.

This is our playground!

We use the big TV when learning at group times! 😊

You get to choose where to sit and use tongs to serve yourself at meal times!
